Sleeping places

We have the possibility to offer you sleeping places only in classrooms. We have also a youth hostel and hotels in Leer and a lot of guest houses, which you can rent. The city of Leer didn't allow us again to sleep in the gyms because the rules were broken in the last year by some teams.

Please be informed, that it is strongly forbidden to drink alcohol in the gyms and schools. We must send teams, who are doing this, home. If you want to drink alcohol, please use the pubs or the areas in front of the schools and gyms. It is not our descition; it's a rule of the government of the city of Leer. We are not able to change it. We hope for your understanding.
